My Dear Mrs Baker

Have just been looking over Vol. 18 and have finally decided what the trouble is. Of course the name of the county should have been at the head of each page and I was sorry that I did not know that it was not until too late.

There are two parts to the "Henry County records Pages 1-73 are O.K. then pages 74 to 127 are also "Henry county records. We got them at different times and so had the two lots then pages 129 to 220 are Muscatine records. and the rest of the book are Cedar County records, the later typed and arranged by Amy Noll.

We made a mistake and thought the Muscatine records had been marked for Henry County so if you will please fix them I will appreciate it. Sorry I made the mistake and am so glad that you discovered it so it could be remedied.

Sincerely yours

(Mrs. F. R.) Olive K. Porter
